While significant advances have been made by medical researchers in their quest to improve treatment methods and ultimately find a cure for leukemia, much work remains to be done.

We need your help! We kindly ask for your consideration of a donated gift to be part of our silent auction for our event, the 17th Annual MJ, on April 28th, 2017, Our fundraising goal for the entire event is \$450,000 and of that \$50,000 set to achieve via the silent auction. The proceeds from this event will benefit Leukemia Texas and its continuing support of much needed patient aid for children diagnosed with leukemia across Texas.

The MJ Event was established in 2001 with the goal of raising donations for children's cancer research through a national network of family, friends and business relationships. Mo and Jim (*the M and J!*) were recently selected as one of the 50 out of 27 million Fortune 500 employees to receive the *Heroes of the 500* award for their philanthropic work. Since The MJ Event began, **close to \$6 million dollars has been generated to cure cancer**. The event is a family-friendly weekend filled with golf, auctions and exciting entertainment.

On behalf of Mo & Jim, countless medical leaders and most importantly thousands of children battling cancer who need your help, we ask that you consider supporting our event. In addition to gifted items for the silent auction there are sponsorship opportunities to highlight your company and many ways to do so.

Last year's MJ Event was a huge success and with the help of thousands of supporters like you! With your support we will make the future *cancer free!* May we count on you? If you have any questions, please reach out to Tiffany at 817-675-0103 or Christiana at 817-416-6240 ext 1212 and feel free to visit our website: <http://www.mjcancerfree.com>.
