Leukemia Texas, is a top-rated 501c3 nonprofit corporation dedicated to funding leukemia research and patient aid in Texas.

Tax exempt # 75-1327679

Dear Friend:

Leukemia Texas, a **nationally ranked Five-Star Top-Rated NonProfit** was able to provide funding for every, eligible applicant last year who received the devastating diagnosis of leukemia. We also provided major research dollars to medical institutions in Texas who are leading way to provide a global cure. Because of the generosity of our partners through the MJ Event, we are saving lives!

As you may know, Leukemia is a cancer of the blood ultimately affecting all of the body. While both its cause and its cure remain unknown, we know that it strikes people of any age, gender or race. It remains the leading cause of death by disease in children under 15 and leading cause of cancer death among women under 20 and men under 40.

While significant advances have been made by medical researchers in their quest to improve treatment methods and ultimately find a cure for leukemia, much work remains to be done.

You can help! We invite you to join us as our donor the weekend of April 27 & 28, 2018 at the DFW Marriott Hotel and Golf Club at Champions Circle for the 18th annual MJ Events. The proceeds from this event will benefit Leukemia Texas and its continuing support of much needed patient aid for children diagnosed with leukemia across Texas.

The MJ Event was established in 2001 with the goal of raising donations for children's cancer research through a national network of family, friends and business relationships. Mo and Jim (*the M and J!*) were recently selected as one of the 50 out of 27 million Fortune 500 employees to receive the *Heroes of the 500* award for their philanthropic work. Since the MJ Event inception, **close to \$7 million dollars has been generated to cure cancer**. The event is a family-friendly weekend filled with golf, auctions and exciting entertainment.

On behalf of Mo & Jim, countless medical leaders and most importantly thousands of children battling cancer who need your help, we ask that you consider supporting this event weekend through a donation.

Last year's MJ Event was a huge success and with the help of thousands of supporters like you, we hope to double our goal. With your support we will make the future *cancer free!* May we count on you?

With heartfelt appreciation,

Paul "MO" Moline
MJ Events Founder and Cancer Survivor

Jim Round
MJ Events Founder and Cancer Survivor
